From all your family and friends,  
and that includes (other) blondes, brunettes,  
redheads and blackheads (ew!), the baldies, the bleachies,  
those with goaties, face lace, flecks of gray, and everyone in-between,  
at this concelebration of golden ringlets and curly-headed cuteness, we sing:

Happy Birthday to you  
From all of us, who  
Poke fun and make blonde jokes,  
Can we (please) be blonde, too?  
Happiest Birthdays to both of YOU!

XXXXXXXXXXXXXXXXXXXXXXXXXXXX

Happy Birthday from your family and friends...

Happy Birthday to you...

Did we say Happy Birthday? :)
