

# Coventry and Warwickshire Hospital,

Coventry.

51114

April 19<sup>th</sup> 1922.

I have known Nurse Hallam during the whole of her period of training in this Hospital & have pleasure in stating that I can thoroughly recommend her as bright, intelligent & trustworthy nurse with a good all round knowledge of her work, in addition to which she is good tempered & cheerful & gets on well with her patients.

E. Price *M.D. Dowd*
